Home, Hope, Hands

October 2024

From our Vicar, Revd Hannah Smith

Hello everyone,

It was wonderful to gather the whole parish in a joint service at St. Helen's at the end of September. It was great to catch up with familiar faces, to worship together and to hear about the excellent work of CAP – Christians Against Poverty. Many thanks to Stewart, Nick and Vivienne for all they shared and please do continue to support this vital work.

After the fantastic Alpha course earlier in the year, we are seeing two new small groups begin meeting locally on Mondays or Wednesdays. A small group is a great place to grow in faith, to get to know others in church better and to learn how to pray. If you are interested in joining a small group, please do talk to the office team and they have details of groups you can join. It's a great time to join as new communities and friendships are formed in the new groups.

As we continue this term to think about God's mission in the world and our part in it, can I encourage you all to have your eyes wide open for signs of God's kingdom working among us – it can be someone starting a journey of faith, people working for justice, or simply acts of kindness and care to those in need. Let's see what God is doing in our world and look for opportunities to get involved.

With love and prayers,

Hannah

Every Good Work - Youth Project

Another school year begins and all the kids have been back at school a little while now, getting used to their new school year, and in some cases new school. Parents are getting back into the term time routine and many will have gone back to work, after a summer full of doing stuff and having kids around all the time.

For some families, back to the routine is a great thing as kids have been 'under their feet', or hard work to keep entertained. For others, they will miss having them around all the time and prefer the kids to be at home.

For us at Shield, it's the start of a new term of helping the young people grow on their discipleship journey. We are looking at the armour of God and how these young people can equip themselves in a fast paced, high pressure 24-7 world of stimulus, challenge and stress. Please pray that as leaders we can help them navigate the world of social media, tests, expectations to both conform and stand out and a rising tide of pressure for all sides. Please also pray for the young people that they will know peace and calm and be able to set aside that which does not matter, and prioritize that which does.

In Portobello, at Hot Chocolate we have gone back to a flying start with all the young people rejoining us as left us at the end of last term. We are still working hard to get the Game Changers group up and running in the Spring and would appreciate your prayers for that. I think this is going to be a good group with lots of fun to be had.

In all, please pray that the young people we encounter in our work will be touched by God and come to know him better. Please also pray that people will come forward to help volunteer to spend time with these young people to help them flourish.

World Vision - Hope and a future for all children.

Liz and Andy are fundraising for World Vision, a Christian charity that supports vulnerable children in 100 countries. Their integrated approach includes water, healthcare, education, child protection and income generation. There are many ways of supporting them and Andy and I have supported a number of children in different countries over the last 24 years. This year Andy had a special birthday and next year is mine! We had a holiday planned for November. When reflecting and praying about this and the use of our resources we, out of the blue, received an invitation to visit our current sponsor child and family in Nepal at the end of November with World Vision. This happens to be quite close to our holiday destination and at the same time so we took this as a sign of God's plan. As part of this visit we are supporting World Vision by completing some fundraising.

We are inviting people to join us at our house for a simple Nepalese meal on Friday October 4th or 11th where you can find out a bit more about World Vision and just enjoy a time of socialising. Please contact Liz Rowe on 07818057675 or lizrowe04@icloud.com if you would like to join us. Spaces are limited. There is also the opportunity of supporting World Vision on Sunday 20th October at church where SHIELD are organising a few activities after the morning services at St Helens. We are opening a JustGiving Page to make it easier for people to donate if they would like to or are happy to facilitate that for people who do not have the online confidence. This money goes straight to World Vision.

BELL RINGER'S TRIP

On Saturday 10th August the bell ringers went on a local "Ringing Trip" organised by Roger Townend & Jack Endersby.

The day started with coffee & biscuits in St. Helen's church while everyone gathered. Taking part were 16 ringers in all. There were 9 of us from Sandal church:- Roger, Margot, Jack, Terry, Shaun, Anita, Hilary, Sue, & Gill. Also, Janet from Wragby (Nostell Priory); David and Pam from Ackworth Church; Derek from Dewsbury; & John, Linda and Jon from Badsworth.

We rang therefore in Sandal Church then Wragby, Ackworth & Badsworth. The day was glorious weatherwise & the whole day fun & really enjoyable. All these churches often struggle to find ringers for weddings, so building up our experience enables us to help each other's needs.

Although many people couldn't make it there were enough of us to ring something suitable for everyone at whatever level they had reached.

The trainees had a good time & for them it was the first time of a ringing in a tower "not at home" so the experience was very different both in the actual ringing of other bells & other strange ringing chambers. Negotiating the bespoke spiral steps giving access to some of the towers has to be experienced to be believed. Some churches are ancient - stonemasons & carpenters made 'on the spot' decisions to suit the circumstances.

It was a joy to see Margot able to manage Wragby's narrow circular steps & ring a lovely method actually called "Sandal". This method we are unable to ring presently at home as the trainees are not yet experienced enough to ring this fairly complicated method

Many thanks then to everyone who made this a memorable special day especially Roger & his wife Sheila, & Jack.

Memories of 'Harvest Festivals' in the late 1940s

When I was a lad I lived in a small colliery village in north Derbyshire called 'Arkwright Town'. This was in the parish of Sutton-cum-Duckmanton. On Sunday afternoons I was sent to Sunday School (largely to get me out of the house). There was a chapel Sunday School in the village but my mother would not let me go to that so I went to the church one .

Sutton Church was an ancient parish church nestling alongside the ruins of Sutton Hall (once the home of the Arkwright family). It was run by farming families who did not like the miners children of the village so we never actually attended the church much. The Sunday School was an asbestos hut (probably would be condemned now) left over from the war. One of the few times, however, when we went to the church was for the Harvest Festival Service. The farming families of course made much of this service -the church was decorated - sheaves of corn and greenery of all sorts. This was post war - food shortages and so on- so there was much celebration of agricultural production. Underground there was also another harvest - the mining of coal. The land therefore had a double harvest-food on the surface and fuel beneath.

11am Service Communion at St. Helen's

We have asked the congregation at 11am service about whether they would prefer having 'real bread' to having the wafers for communion during September. The PCC decided to conduct this survey in response to an enquiry about this. The responses from the 11am congregation showed that most people were happy either way. Of those who expressed a preference, more people preferred to stick with wafers whilst a few preferred to move to bread. For now we will stick with wafers as that fits with the responses we gained, but Hannah is happy to chat with anyone about their thoughts on this if that would be helpful - just be in touch with her. Thank you for taking the time to take part in our survey :)

Saying Goodbye (part of the Mariposa Trust)

The Mariposa Trust's core objective is to support people who have lost babies at any stage of pregnancy, at birth, or in infancy.

On the 27th October at 3.30pm, in Bradford Cathedral, we will be hosting one of our Saying Goodbye Services - this is the most local service to Wakefield this year.

So who is the service for? Anyone who has either personally lost a baby at any stage of pregnancy, at birth, or in early years, or who has been affected by family members' or friends' loss. Whether the loss was recent or 80 years ago, everyone is welcome to attend. We also now gladly welcome anyone who is grieving the fact that they haven't had children.

Babies and children are also invited to come with their families, as the Saying Goodbye service is truly a family event for all. We know that as 1 in 4 women suffer miscarriage and baby loss, you will have contact with a significant number of people who have been affected by baby loss. To read more on the charity, please see the Saying Goodbye website, which you can find at: www.sayinggoodbye.org

GRIEVING THAT THEY HAVE NEVER
BEEN ABLE TO CONCEIVE.**

Saying Goodbye

When a baby is lost, whether during pregnancy, at birth or in infancy, it is a devastating experience for the parents and the extended family.

Sadly for people that lose prior to 24-weeks gestation, services to commemorate the life that has been lost are seldom held, while for parents who lose later in pregnancy, at birth or in early years, the parents are usually in the depths of grief when a service is held.

The Saying Goodbye services are the first international set of remembrance services, for people who have suffered the loss of a baby at any stage, and whether that be recently or decades ago. They provide a time and place to acknowledge and remember your baby, whilst collectively 'saying goodbye'.

The services also welcome anyone grieving the fact that they have been unable to have children.

The services are for people of any faith or no faith, are free to attend, no tickets need to be booked, and people are invited to bring family, friends and children with them. Held at cathedrals and similar venues across the globe, chosen for their beauty and grandeur, a wonderful tribute is created for all lost babies.

Together we will stand and say, "our children may have only been on this earth for days, weeks, months or years, but they were truly loved, and will always be missed!"

Bradford Cathedral, West Yorks, Sun the 27th of Oct 2024, 3.30pm

News from The Spring

Spring Newsletter – October 2024

As we move into Autumn, we feel blessed by the changing seasons and the promises that it holds for us as we work towards the start of Advent.

September seems to have flown by and has ended with our Annual Macmillan Cake Sale – which has raised just short of £850.00 for the ongoing work of this essential Charity. Margaret, Jane and the Team have been working super hard to get our new Autumn Collection ready and all will be revealed when it launches in The Spring from Tuesday 1st October. As well as preparing inside, Graham our Volunteer Gardener has been making great progress outside keeping our Gardens looking wonderful and tidy, with bulb planting for next year, and bushes trimmed back to make room for our new Cycle Rack, which Craig and Andy Taylor fitted earlier in the month. Huge thanks to Graham and Tony Hick for making our outdoor seating area look so impressive this year and for ensuring that it saw out the Summer months.

SHOUT OUT FOR VOLUNTEERS

We are also still on the look out for extra volunteers to help us behind the scenes in Café Wash Up – so if you feel called to serve in this way please do get in contact and I can talk you through the opportunities that we have – we do also have an emergency call out list for folk who are happy to help but don't feel able to take on a regular commitment .

Forthcoming Events

On **Saturday 9th November** we will be hosting our **Tearfund Big Quiz Night** again The Spring. John will be back in the role of Quizmaster and we will of course be starting the evening off with Supper. Please sign you and your team up @ The Spring – teams no bigger than 8 please and we can welcome upto 60 people in total . The evening, including Supper, costs just £10 per person, all of which we donate to Tearfund, and you can book in person in the Spring or via email at spring@sandalmagna.com.
