Home, Hope, Hands

Easter 2025

From our Vicar, Revd Hannah Smith

Dear all,

St. Augustine famously said: 'You have made us for yourself, O Lord, and our hearts are restless until they rest in you.'

As we come towards Holy Week and Easter yet again, we remember the journey that Jesus went on, the suffering he endured, the sacrifice he made on behalf of us all and we are grateful for his love and goodness. We also remember that he overcame death and darkness and decay by rising again to new life in his resurrection.

We are amazed when we realise that part of the journey of Jesus was surrender – when he went to the cross he was not in control, he gave up the ability to choose what would happen to him. This surrender is quite scary, but it is also liberating, as we choose to let go and let God.

In a strange way, rest is a form of surrender. We realise that we are not God and that we cannot do everything, we have limitations. We therefore need to rest and let go and let God. We cannot rest if we seek to be in control of everything. In the Lent Book I am reading, Christopher Chapman says: 'The surrender is mutual, for the God of hope chooses to rest in you.'

Can I encourage you this Easter season to follow Jesus in surrendering? In listening to his voice, in moving at his pace, and resting when he calls us to, we in turn participate in his life and work in the world.

Love and prayers to you all this Holy Week and Easter season,

Hannah

From our Curate, Revd Lizzy Brothwood

I can't quite believe it is coming up to a year since we arrived to this beautiful parish. I wanted to take this moment to say a massive thank you for how warmly myself and my family have been welcomed into this community. We continue to be so grateful for all your kindness and support.

I arrived here, having completed my theological studies in Bristol, and was ordained a Deacon at Ripon Cathedral to start my Curacy in July 2024.

If you're unfamiliar with Church of England terminology, as I was not too long ago, let me explain: A deacon is the initial step in the path to becoming a priest. Deacons serve a year of ministry before being ordained by the Bishop as a priest.

The term 'curacy' refers to the period of training and apprenticeship that a deacon, and then a priest, spends in a Parish, alongside an experienced vicar. During this time, they apply the knowledge gained from study and learn from the vicar, preparing for a role where they are fully responsible for a parish. In my case, I will be serving my curacy for four years, with you lovely people! I will continue to be part time in my second year, with the aim to go full time in my third and fourth year. My current working days are Monday, Tuesday morning, Wednesday morning & Sunday.

This coming summer will mark the end of my first year and, hopefully, the point at which I am ordained a priest. So, what does this mean? Well, I thought I'd share some of the declarations I will be making during the Ordination service, to give you an idea of what this next step of ordained ministry means, with the help of God, of course!

- I will follow Jesus.
- I will be diligent in prayer, in reading scripture, and in deepening my faith.
- I will strive to be an instrument of God's peace in the Church and in the world.
- In the strength of the Holy Spirit, I will make Jesus known and work with others in seeing God's Kingdom grow.

More from our Curate, Revd Lizzy Brothwood

- I will lead people in proclaiming the good news of Jesus, so that it may be heard in every place.
- I will faithfully minister the sacraments: Baptism, Confirmation, Eucharist, Marriage so that people will flourish in their faith.

And a bunch of other things...come along if you want to hear more, everyone is welcome! It will be held at Wakefield Cathedral on Saturday 21st June, timing tbc. Please do pray for me and my family as we embark on this next chapter.

Thank you.

Lizzy

New Bishop of Wakefield

The Venerable Malcolm Chamberlain, Archdeacon of Sheffield and Rotherham, will be the new Bishop of Wakefield in the Leeds Diocese.

Introducing himself, Malcolm said:

“I’m delighted to be called to serve the people and parishes of Wakefield, Barnsley and the surrounding towns and villages as their Area Bishop, and greatly look forward to joining you in June. Having studied at York University and lived for the last eleven years in Sheffield, Yorkshire is a region very close to my heart and I am most thankful to God for calling me to this role in the Diocese of Leeds. I feel especially blessed to have the joy of ministry in both South and West Yorkshire as the Bishop of Wakefield!”

Malcolm was educated at the University of York and trained for ministry at Wycliffe Hall, Oxford. His roles have included Chaplain to the University of Liverpool and serving as an Emerging Church Consultant for the Diocese of Liverpool, a pioneering role that involved planting and leading a new worshipping community for young adults in Liverpool city centre. In 2014 Malcolm was appointed to his current role as Archdeacon of Sheffield and Rotherham, in the Diocese of Sheffield. He is a member of the College of Archbishops’ Evangelists and has served on the Church of England’s General Synod since 2015 and Mission and Public Affairs Council since 2016. Defibrillator Demonstration / Coffee Morning

It is now nearly three years since we held a fund-raising morning to be able to provide a new Defibrillator outside The Spring and install the old machine, having been refurbished, in the Emmaus Room at St. Helen's. On what turned out to be a most enjoyable morning, Perry Morton gave an excellent demonstration showing all of those present how to use the Defibrillator, Neale Clark spoke about First Aid, John Arnold played 100 hymns on the organ in three consecutive hours and a coffee morning was provided by the Women's Fellowship with members manning a cake stall. There was a collection box in The Spring and in church, to which people gave very generously and with money collected during the event, over £2100 was raised! A great morning's work!

Not quite all of this money was needed for the new Defib and we were able to keep a small amount in the church bank account, enabling new pads to be purchased when required. Unfortunately, we are now at the stage where very little money is left in our account. The old machine will soon need a new battery at a cost of approximately £250 and the Defib pads have to be replaced about every three years – these cost £150 per machine.

So – it's time to have a repeat of part of our last event (without John playing the organ)! The demonstration was Perry's idea and he has offered to hold another one on Saturday 28th June 2025 (10.00am to 12 noon) with the Women's Fellowship being more than happy to organise a Coffee Morning.

Please put this date in your diary – anyone can attend!

Youth Update - Every Good Work

Hot Chocolate had an amazing week this week with lots of new young people turning up. There were 26 in total – boy, it was a tiring night. Liz Parker came along to help some of the young people make some nice earrings and other forms of jewellery and this went down well with some of the quieter young people.

Archery remains a popular competition amongst the young people and a couple of the girls are getting really good, hitting bullseyes as often as not (don't worry, the arrows have rubber suckers on the end rather than sharp points – it is jolly good fun).

Game changers is also going great guns with Monopoly taking over as the game of choice. But a 1000-piece wasgij (no, that isn't a typo) has been completed. A wasgij is a bit like a backwards jigsaw. The picture on the box doesn't show you the picture you are trying to make; you are making the picture the characters in the box picture are looking at or reacting to. So, they can be a bit tricky at times, and a 1000-piece one is not an easy task.

The Acorn course is also going great guns and we are looking forward to the weekend away, on the first weekend in April. We are going to Bolton Abbey for the weekend, where we will be talking about what worship is and how they can worship, and how they want to worship as we continue meeting once the 'course' part of it is over. Some of the young people have already expressed an interest in

baptism, so this is something that is beginning to bear fruits already – which is great.

News from The Spring

Spring is a beautiful time of year that reminds us of new beginnings. As flowers bloom and trees grow leaves again, we see God's creation come to life, and none more so than the beautiful Magnolia tree which we overlook in the Spring Kitchen. For the last few months, we have patiently watched its brown and lifeless form weather the harshest of conditions, until only now, when we see the buds form and the tree come alive with the beautiful pink tinged flowers of this majestic tree. A sure sign that Spring has finally arrived and the hope that comes with it.

“See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.” – **Isaiah 43:19**

We continue to journey through Lent, using the “Living with Hope” Lent Prayer Guide and have felt both affirmed and challenged by its content, it feels so poignant at a time of such insecurity around the world, that with God, there is always hope.

With Easter celebrations not far away – a wee reminder that we shall be closing on Thursday 17th April @2pm. We shall re-open on Tuesday 29th April @ 10am, after giving my team space with their families and a good rest after another busy season.

Cost of Living

The last few months have been busy @ The Spring but like all small businesses, managing the energy bills and changes to the National Living Wage and Employers National Insurance contributions are proving challenging, for example just keeping the lights on, the cakes baking and our customers warm in January cost £2,300.00. We have therefore, reluctantly but prayerfully, taken the decision to apply a price increase in April. This is never an easy decision and certainly one we don't take lightly but we do need to be realistic and looking after our team and keeping the space warm is key to our ministry.

Big Dreams

On a lighter note we are however looking to the future and if we wish to make the fabric changes to The Spring that we have spoken about at our Vision Day then we will need to secure some big additional Grant Funding. To support our applications, we have been advised to get some key data and therefore we need you wonderful folk to help us with some fact finding.

What's On

Lent Lunches – available every day from 10am – 3.45pm, costing just £6 for Soup and a Sandwich, with all the money going to Christian Aid. To date we have raised £250.00. So plenty of time to see that grow and bless our brothers and sisters at Christian Aid even more.

The Passover Supper – this event is now **SOLD OUT**, but we are operating a wait list for those folk unable to secure places immediately

- Please remember that if you are booked to attend the Passover you will need to bring your own red wine (or equivalent) for you to participate fully in the ceremonial aspects of the Passover.

Knit & Knatter – held every Thursday @ The Spring from 2pm-4pm - however please note that due to preparations for the Passover there will be **NO meeting on Thursday 17th April.**

Singalong with Dr Bob and Friends – held the last Tuesday of the month from 2.30pm – you can join with Dr Bob Dourado, The Singing Doctor, (albeit now retired) Peter Maxwell and friends and enjoy a sing song whilst raising funds for Wakefield Hospice.
